

I wonder
how much I
can manage
with my little
remaining
magic...

No...

I...

As
long...

As long as
Helix doesn't
need to rely on
that power of
his...

Those
are...

As long as I
exterminate all
the enemies, it
will be okay!!

the flames
she showed
during the
audience...

Phoenix
-
Suzaku

However,
are you sure
about this? For
you to use such
a massive
technique now
that you've seen
the depths of
your magical
power.

This is
beyond
my
expectations..

How
terrifying..

More!

More..!

Burn
them
all!

Not
yet!

The future
you desire isn't
that way.

That's not the
path ~~you should~~
be traveling.

Heh..

*Since
that is
my final
wish,*

Thank
you.

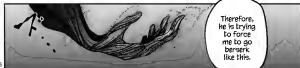

However,
you can't
collapse
here.

Mikaros realized that I came in contact with the Will of the World.

26

I need to stop them, no matter what it takes.

If I don't stop these evil warriors now, many more sacrifices will be made.

Th-then that's all the more reason not to force yourself to fight any further!!

Eh...

As long as you're here, I won't be a threat.

Even if I become someone else who abides by the Will of the World..

But that's okay.

Unfortunately, Glaze isn't the only one who can adjust me.

I think you're hoping for me to take care after you, but that won't happen.

Mikene...

28

What kind
of a... joke
is this...

Please
listen to
my final
wish.

Anne...

No matter
how I change,

I'll never
hurt you.

you're
the one
I'll never
forget.

Your
appearance...
and your
voice...

No matter
how my
appearance
becomes, no
matter what
kind of a
monster I
become,

No!

Stop
talking!

Don't say
any more!

Thus...

Once
everything
is settled-

*Please
kill me...*

*with this
sword.*

To be continued
